

Leasys UK named Best Vehicle Leasing Solutions Provider by SME News

- **Leasys UK has been awarded the title of Best Vehicle Leasing Solutions Provider 2025 – South East England in the UK Finance Awards**
- **SME News praised Leasys UK for the personalised service it provides to businesses and personal customers alike**

London, January 28, 2026 - Leasys UK, a leading provider in multi-brand operational leasing, has been named 'Best Vehicle Leasing Solutions Provider 2025 – South East England' in the SME News UK Finance Awards. Leasys UK was selected as "the standout option" for both personal customers and fleet managers alike, thanks to the provider's exceptional personalised and caring service.

Commended for its excellent customer service offering, Leasys UK was also praised for its data-driven solutions, informed by market-leading technology. For businesses looking to manage a fleet of vehicles, Leasys UK's bespoke offering helps to streamline processes and enhance efficiencies, while personal contract customers benefit from the provider's wide range of options to ensure a tailored solution.

The annual awards, now into their seventh year, recognise excellence across the UK finance sector, celebrating the individuals and organisations that are redefining success in their respective industries. In the transport category, companies are judged on safe, smart, and sustainable solutions that help to drive the UK's transport industry.

Looking to 2026 and beyond, Leasys UK will continue to develop its offering, including expanding its fleet of electric vehicles and digital solutions for fleet management.

Shane Coomber, Managing Director at Leasys UK, commented: *"We are delighted to receive this award, recognising the market-leading service we provide to our customers. Our focus remains on customer experience, innovation, and environmental responsibility, ensuring we stay ahead in a dynamic market."*
